Meeting a Deadline

The VIKING is one of the seniors' main projects. Everyone in the class helped to sell advertisements and subscriptions. The actual preparation and meeting of deadlines were the responsibilities of the seniors pictured.

Loyalty Staff

The latest news, concerning both school functions and students, is sought by this group. Their hard work is shown by the continuous improvement of the bi-weekly newspaper they publish. Editor of the Loyalty is Rose Wilhelm, and Sarah Kepler is their sponsor.

Student Council

The Student Council consists of two members from each class in the upper six grades. These students are responsible for convocations and the All High Parties. Mike Wynn is the president and Roland Young is their advisor.

Future Homemakers of America

The Future Homemakers of America is a national home economics organization for high school girls. Anna Marie Eckert is the chapter president, and Cheryl Blackburn is the district projects chairman. Lois Smith is the advisor.

Future Farmers of America

The Future Farmers of America members are students who are enrolled in agriculture courses. A boy is first a greenhand; and then, when he has met the qualifications, he becomes a chapter farmer. Louis Shively is this year's president. Also pictured are George Green, advisor, and Pat Thomas, F.F.A. Sweetheart.

Pep Club

This lively group backed our team at all home games and tourneys throughout the season. Attractive navy blue berets were added to the navy blue mittens worn by the Pep Club members.

Darrel Kraft, Pep Club sponsor, and Rose Wilhelm, president, are shown here with our mascot, the Viking ship. The ship is all ready to go sailing with our team to victory.

History of the Class of 1962

September 1950 was an eventful month for us, because that was the time we entered school. Eventually the enchantment wore off, and we settled down to our task of learning. Finally the day came when we entered high school and started the last lap of our journey, even though we had to begin as "lowly" freshmen!

Our freshman year gave us a peek at what the next three years would bring. We chose the clubs we would join, started making money for our senior trip, had a class party in the gym, and went on a trip to Chicago.

As sophomores we went into this "business" with a little more confidence and knowledge of what might happen. This was the year we had a bake sale, a car wash, chose our class rings, and selected our junior play. We went to a Purdue football game. We had a party at Pat Thomas's home with loads of fun riding horses and eating a pot luck supper.

The first week of our junior year each one of us proudly sported his new class ring. We soon had to get down to work to sell magazines and to put on our play, "No Boys Allowed." We had an impromptu party on the stage after the play, and a "losers-treat-winners" pizza party after our magazine drive was completed.

After Christmas vacation, we chose our class colors, lavender and white; class flower, white carnation; class motto, "Tonight we launch; where shall we anchor?"; and the theme for the prom, "Wonderland by Night." Our big project now was preparing for the banquet and prom, which was given in May at the Knights of Columbus Hall in South Bend. We also managed to have a pancake and sausage supper that spring.

September 1961 arrived, and twenty-three members of our original first grade class convened once again for their final year of school. Immediately we started a whirlwind year that would end only when we had returned from our senior trip.

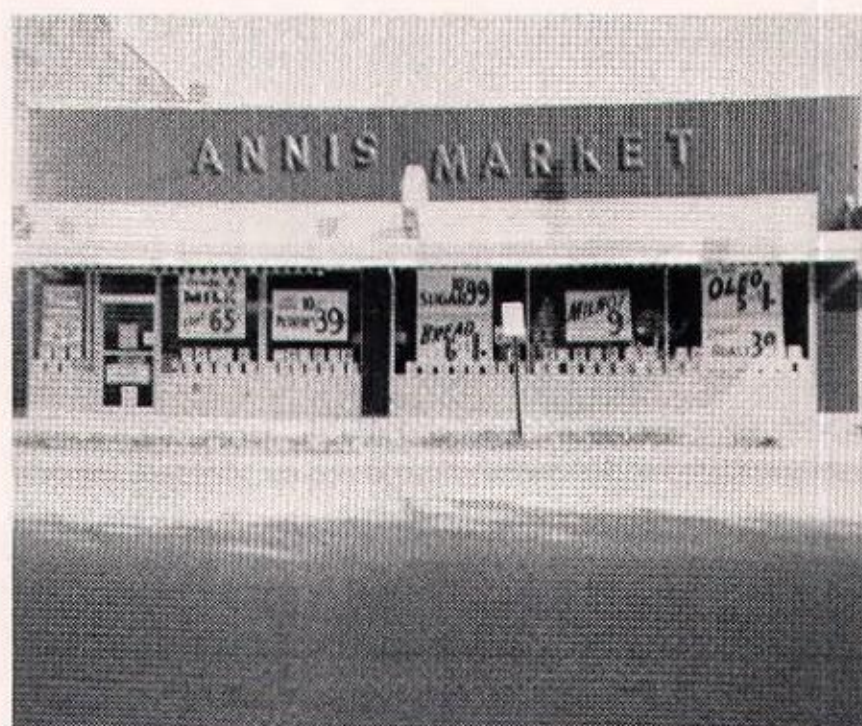

Our first few days were spent getting accustomed to the idea that we were finally seniors! Dorothy Goss and Robert Burns, our former sponsors for three years, had left, and were replaced by Lois Smith and Robert Saunders. We ordered invitations and name cards; sold Christmas cards and annuals; received our senior pictures and cords; edited the VIKING, the annual, and the LOYALTY, the newspaper; sponsored a class play, an inter-class tourney, and an autograph hop; and make arrangements for Baccalaureate and Commencement exercises, plus the senior trip.

Graduation time has finally arrived! The climax of our senior year would soon follow, and we would take our trip to Washington D.C. and New York City. Forty-five members of the class of 1962 would no longer be students, but alumni of "good old L.H.S."
